Draft G.O. issued,

MB 18/9

In the Tahsildar's report it is stated that the amount at the credit of the Panchayat is Rs 1933-0-5 and that no collection of taxes has been made for 3 years. The Panchayat however resolved to repay the loan in 3 years. They expect that the sites will be sold and the amount made good. It is also stated that those who want sites have not deposited any amount. In the absence of budget estimates of the Panchayat, it is not clear whether the Panchayat will be able to repay the loan if even if the sites are not immediately sold. The Revenue Commr. however recommends the sanction of the advance and states that instructions will be issued that acquisition proceedings are proceeded with only after the earnest money is collected and deposited. The R.C. may perhaps be requested to report after the earnest money is deposited before sanctioning the advance. A draft G.O. is however sent

A fair draft may be put up.
